

Merivaara NOVA Bedside Cabinet

The functional, safe and stylish Nova bedside cabinets are suitable for both hospitals and nursing homes. Thanks to its pull-through drawers, the cabinet can easily be used from both left and right-hand-side.

Nova Bedside Cabinet is easy to handle and keep clean. Easy-gliding castors enable excellent and silent mobility. The color of the cabinet is light grey (melamine) and as an option also stained beech melamine is available.

Rounded edges and balanced construction ensure safe use also when using the reading / dinner table. The angle of the reading and dinner table is adjustable

There's also a model without the reading and dinner table available.
